

February 18, 2018 Membership Shoot

Feb. 18 Membership Shoot will add another category to expand our Class of guns we shoot. We are adding a 22 LR Semi Auto category at 75 yards. If there is enough interest we may expand this to 100 yards also. We will be shooting paper eggs at the membership shoot. Bring out your 10-22 or other semi auto rim fire and compete against other semi's. We do a 50/50 payout per class.
