

## Holton Gun Club Egg Shoots

Rimfire: 22LR - 15 eggs shot @ 100 yds - from the Bench

Winter Shoots: Jan-March, 2nd & 4th Saturday of the Month. Start time 11:00am

Summer Shoots: Wed's, Start time 10:30 (See Shoot Schedule)

Sight-ins start @ 9:30 Cost: \$5.00

The front of the rifle may be supported by a bi-pod, or sand bags (no Bull Bags).

The rear of the rifle must be supported by the shooters non-trigger hand, No double bagging, (Shooting gloves & shooting mitts are allowed no internal modifications dowel, plastic inserts ect... are allowed). If a shooting mitt is used the hand must be fully inserted into the mitt, no using the mitt as a rear bag.

Course of fire:

Shooter may take upto 5 sighter shots (5 is the max), after which the shooter will call eggs & the next 5 shoots must go to the eggs (no more shoots towards the sighter target after eggs are called) 1 shot per Egg.

When everyone is done, the range will be made safe and a scorer will go down range to score the hits & replace broken eggs. (The egg shell must be cracked to count as a hit, there has been gray lead marks.....without a crack!) Once scoring is completed the range will go hot and the 5 sighter / 5 shots @ eggs sequence will start again.

In the event of a 15 egg tie the range official well have a tie breaker of their choice. (Usually a Paper target with 5-egg shaped silhouettes with Scoring rings – up to 5 sighters and then 1 shot to each Egg shaped Silhouette for score.)

HGBC has now started having Membership Egg Shoots on the First Sunday of the month-Guests Welcome.

Note: The HGBC has modified the course of fire for Winter Shoots. During the Winter the shooter is allowed up to 5-sighters and then calls eggs and shoots 15 eggs for his or her score.
