

Holton Gun & Bow Club

Unlimited Bench Rest Score Shoot

August 25th 2018

- Join us on **August 25th, 2018** starting at 0900 hours for 100 & 200-yard club score shoot using UBR “equalized scoring system” targets.
- There will be four targets at each yardage. Each target has 6 bullseyes with the dot in the 10-ring scoring 11 points, for a possible 66 points per target, 264 points per yardage, and 528 points possible for grand aggregate yardage.
- The targets are equalized and marked .224, .243 and .308 caliber. Each target is sized so the larger calibers have no advantage over the smaller calibers. In other words, the targets are caliber neutral.
- This will be a timed event, with 5 minute warm up period at the beginning of the first relay, and then 7 minutes per relay.
- There will be classes for factory, factory modified and custom. See rule page for definitions of the equipment. These classes will be shot concurrently.
- Shooters are welcome to shoot in one or both yardages, and in multiple firearm classes if so desired.
- The time frame to shoot both yardages is estimated to be 5 hours.
- UBR rules will apply. Ties will be scored by Creedmore rules. Match Director decisions are final.
- Cost is \$10.00 per yardage. The payout will be 50/50. We will pay 1st & 2nd place for each Grand Aggregate winner.
- New shooters and shooters with factory rifles are welcome. For more information contact Richard Paris at 231-740-8838 or erparis@aol.com.
